
EMXYS AS9100 PURCHASE ORDER TERMS & CONDITIONS

1. EMXYS reserves the right of final approval of product, procedures, processes, and equipment.
2. All special processes required by this purchase order must be performed by qualified personnel.
3. EMXYS reserves the right to review and approve the Supplier Quality Management System. Standard Quality Management System requirements include:
 - Supplier special processes must maintain a system for validating processes or other system as required by this purchase order.
 - Supplier directed sources must operate in accordance with approved specifications and standards as dictated and controlled by the supplied and driven by EMXYS requirements.
 - Suppliers in possession of a Quality Certification (ISO9001, AS9100, ISO 17025, AS9120, etc.) must notify EMXYS of any changes to that certification.
4. The supplier shall maintain the proper identification and revision status specifications, drawings, process requirements, inspection/verification instructions and other relevant technical data of the supplied goods
5. EMXYS reserves the right to approve or specify any designs, tests, inspection plans, verifications, use of statistical techniques for product acceptance and any applicable critical items, including key characteristics.
6. EMXYS reserves the right to designate requirements for test specimens for design approval, inspection/verification and investigation or auditing.
7. The supplier is required to:
 - Notify EMXYS of nonconforming product immediately upon discovery.
 - Obtain EMXYS approval for nonconforming product disposition.
 - Notify EMXYS of changes in product and/or process, changes of suppliers, and changes of manufacturing facility locations.
 - Flow down to the supply chain the applicable requirements including customer requirements.
8. The supplier is required to retain all records associated with the purchase order as required by contract. If not specific retain time is specified it will be assumed a default time of 5 (FIVE) years.
9. EMXYS reserves the right of access by our representatives, our customers, and any regulatory authorities to the applicable areas of all facilities, at any level of the supply chain, involved in the order and to all applicable records.

-
10. The supplier will deliver all goods at EMXYS premises by using approved delivery methods with traceable shipment. The goods will be accompanied by a shipping list and will be correctly packaged in a sealed parcel.
11. All suppliers providing calibration services must be certified to ISO17025 (or equivalent). All calibration certificates must identify standards used and must be traceable to a Certified Calibration Laboratory.
